

HUMAN SERVICES DEPARTMENT [441]

Notice of Intended Action

Pursuant to the authority of Iowa Code section 237A.12, the Department of Human Services proposes to amend Chapter 109, “Child Care Centers,” and Chapter 110, “Child Development Homes,” Iowa Administrative Code.

The proposed amendments update child care training rules including training topic areas, approved training organizations, requirements for approved training, and a process and form for training approval requests from training organizations that are not already approved in rule. The amendments do not change the amount of training required. Professional development requirements are similar for both child development homes and child care centers. The amendments formalize processes that are currently in place.

These amendments do not provide for waivers in specified situations. Requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441--1.8(17A,217).

Any interested person may make written comments on the proposed amendments on or before September 3, 2008. Comments should be directed to Mary Ellen Imlau, Bureau of Policy Analysis and Appeals, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Comments may be sent by fax to (515)281-4980 or by E-mail to policyanalysis@dhs.state.ia.us.
